

The cruel cynics
who have hijacked
our government
think no one cares
about these people,
so they can be
rounded up and
disappeared at will.

Let's prove them wrong.

This time of year, when the
solstice night twinkles with
candles, when we celebrate a
birth in a refugee family, or the
Maccabees' resistance to Rome,
or the pilgrimage of Eid,
like the Whos in Whoville
we have a right to sing

Abducted migrants are held in
"detention camps" without access
to their families or lawyers.
There's one next to the
Burlington Mall, just up Route 2
1000 District Ave.
